REQUEST FOR WAIVER OF 471 APPLICATION

---

Baxter CSD, BEN 131820

471: 191040284 (Category 2, Internal Connections)

**FRN 1999076529 : Wireless Data Distribution**

Baxter CSD, a public school in Iowa (60% E-rate discount),  
respectfully requests a waiver of the 2019-20 Form 471 application.

We were waiting on a promised bid from a vendor.

This application contains the all important wireless internet access from  
Partner Communications Cooperative (SPIN 143001964) for our children and  
educators and we simply need the discount to continue our work of  
educating our students.

We are filing this waiver request today because we are unsure of when  
we will receive an actual OOW – Out Of Window Notification from USAC. We  
understand that all documents for 2019 are in the EPC portal, but we don't  
know when we will receive the OOW.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019, and we look forward to another year of discount on our Wireless Access services.

Respectfully submitted this 3<sup>rd</sup> day of April, 2019.
